

Create A Rap/Poem Song Activity

Need for activity:

Electronic device, paper or worksheet provided, and writing utensils

Activity

Introduce the lesson. This lesson is to be done alone or can be done with someone else depending on teens preference. The point of the lesson is to make rap/poetry song with the beat chosen. The song we chose for this lesson is Drake - Tootsie Slide Instrumental just search on YouTube. The teen is to listen to the instrumental song. Once the teen listens to song they use the next worksheet to write out their rap/poetry song. Pick a theme for the rap/poetry song (ex. food, colors, how you're currently feeling). Then write out 5 sentences using your theme or you can do lyrics to the entire beat depends on the teens preference. And you're done! This activity can be done with instruments or with another person if they need help. It is important to encourage the teen to be as creative as possible.

(INSTRUMENTAL)

Conclusion:

Once the teen is done with their rap/poetry song have them share it with parent, friends, make a video and post it on social media. Not only is this great for the teen to express themselves and use creativity, but great to share with others.

Overview and Purpose:

The teen will learn how to create a rap/poem song from their own creativity using an instrumental. The activity teaches the teen literacy, writing, and meaning of song/lyrics.
